PROFILE

I am a newly hatching front-end web developer who aspires to become fluent in both back end and front end development. Currently, I have experience with CSS, HTML, JavaScript, and jquery. I believe myself to have the potential to do much more with the opportunities bestowed upon me and the ambition that's inside of me.

EDUCATION

University of Pennsylvania, Philadelphia

June 2020 — Present

Coding LPN bootcamp designed to provide the students with the most relevant and modern technological skills required to start a career as a full-stack web developer.
